

# Minot Junior Golf Association Scholarship

The Minot Junior Golf Association is proud to support junior golfers through our scholarship program. Established in 2016, the scholarships are awarded to students who participated in school sanctioned golf programs in high school.

Students are asked to complete a short application and write a brief essay.

***This scholarship is open to high school seniors in the Minot area who graduated in the spring of 2025.***

Participation in previous Minot Junior Golf Association programming and volunteering opportunities provides additional points in the awards process

**Each year, five - \$1,000 scholarships are awarded to students for a four year period of time.**
